Narberth Brothers In Service

SGT. JOHN KELLY

YEOMAN CHARLES KELLY

The two brothers, sons of Mrs. Mary A. Kelly, of 212 Iona Ave., Narberth, are both overseas. John, attached to the Signal Corps, is now in Germany. He has been overseas for almost two years. Charles, attached to the U. S. S. Mobile, is in the South Pacific. He has been overseas for eight months, after receiving seven weeks training. In February, he was home for a 21-day leave.

LT. (j.g.) John C. Healy, seven Navy aviators, and their pet dog, a cocker spaniel, named Tuesday, were forced down by engine trouble Easter Sunday in the ocean off San Francisco Bay.

LT. Healy, who was at the controls at the time, is the son of Mr. and Mrs. John C. Healy, of the Latham, 135 S. 17th Street, Philadelphia, who formerly lived at 210 Essex Avenue, Narberth. The crew and Tuesday were taken off the plane by life rafts floated through 35 foot breakers by a rescue boat, after they had clung to the waist hatch for three hours.

After arriving safely at the Alameda, California, Naval Air Station, LT. Healy called his mother, Mrs. Cumi Healy, at the Latham. "We just got a good dunking in the ocean," the 25-year-old pilot told his mother. Co-pilot of the plane was LT. (j.g.) Frank J. Ditzler of Haverford. Engine trouble, it was announced, caused the big craft to hit the water as it neared its destination. The rescue was witnessed by thousands of Easter

holiday sightseers as they lined the ocean shore.

LT. Healy, a graduate of Malvern Prep and Villanova College, enlisted in the Navy Air Corps about three years ago. He has been in the seaplane transport service about six months.

John Fitzpatrik of Merion Avenue visited Lt. William G. Carroll at Walter Reed Hospital last week. Mrs. Wharton B. Carroll, Gypsy Lane, Wynnewood, Lt. Carroll's mother, and his aunt, Miss Ann Carroll, spent Easter with him at Walter Reed Hospital, Washington, D. C.

Mr. and Mrs. Douglas C. Miner, 416 Woodside Avenue, received a letter from their son, Corp. Laird Miner, Infantry, written on prisoners of war stationery, dated January 18, and received by them on March 31 from a prisoner of war camp at Stalag 4 B, some 80 miles South of Berlin. Corp. Miner has been reported missing since the Belgian Buce.

Bryn Mawr Starts Town Meeting Plan

Expect Close Battle Over Commissioner Vacancy

The town meeting, bulwark of our forefathers' democracy, was brought into service again Monday night in East Bryn Mawr to give the Main Line one of the hottest political contests it has had in years.

Harry P. Swing, 821 Morton Rd., Bryn Mawr, is already a candidate for Lower Merion Township commissioner and as a result of the Monday night town meeting Raymond S. Gray, 12 Enloe Ave., going to the meeting was held in the Bryn Mawr Fire Company hall.

Also, to wind up the meeting as East Bryn Mawr Town Meeting organization was formed with Charles Brinton as chairman and Mrs. Donald Wilbur as secretary and treasurer.

Explains Purpose of Meeting. Giving definite reasons for the town meeting and seeing that the East Bryn Mawr voters had at least two candidates from which to choose at the coming primary June 19 has been one of Brinton's political aims.

Julius Ziegert, former president of the Lower Merion Board of Commissioners, was there to tell 70 residents present what was expected of a commissioner. He explained that the purpose of the town meeting was to elect a commissioner to the Board of Commissioners, to elect a representative to the Board of Supervisors, and to elect a representative to the Board of Aldermen.

Ziegert pointed out the necessity of keeping good men on the town meeting board.

"Local government is as good as the men who are in it," he said. "Swing Versus Gray."

"A town meeting in which every citizen is invited to discuss the duties of office holders and the qualifications of candidates is a good healthy thing for the community," declared Brinton.

It was Hamilton Swing, Jr., the relation of Candidate Swing, who proposed that nomination petitions be circulated for Gray, Gray, who is in Florida recuperating from an attack of pneumonia last November, and for Hamilton Swing, Jr., who was seconded by Samuel Kirkland, Swing, the candidate, and Mrs. Swing, East Bryn Mawr committee woman, who seconded the motion.

He was introduced by Brinton and invited to speak.

Why Am I Left Out? He said he wanted to correct the impression that he was seeking office. Friends had invited him to run, he said.

William Thompson, judge of elections in the district, jumped up to say: "I am left out of this town meeting idea. Why don't I have any opposition for judge of elections?"

Mrs. Henry Longmeade and Mrs. Sarah Fuller also spoke in favor of the town meeting.

In addition to the East Bryn Mawr Town Meeting, which was formed Monday night, the district has a Republican group, the East Bryn Mawr Republicans, which is headed by Candidate Swing.

According to Brinton the Town Meeting is a non-partisan organization.

Joseph Allen, Jr. Named To Fill Magistrate Vacancy

Appointment of Joseph Allen, Jr., Haverford, to fill the magistracy vacancy caused by the death of C. Howard Meredith, Bryn Mawr, was approved this week by Governor Martin.

The appointing board now has to go to the State Senate for confirmation.

Allen, who must stand for nomination at the Republican primary on June 19 and election in November, already has his nomination petitions in circulation. He is president of the Bryn Mawr Fire Company, where he has been a volunteer fireman for 25 years.

He lives 577 Barrett Ave., Haverford.

Autocar to Boost Civilian Output

Authorized to Build 4,052 Heavy Duty Trucks in 1945

Sales of the Autocar Company for the year 1944 were \$59,852,068, compared with \$85,801,039 in 1943. The 1944 profit was \$1,465,995 after provision of \$3,874,000 for Federal and State income and excess profits taxes. This profit was equivalent to \$2.38 per share of the common stock after meeting all requirements of the preferred stock.

In 1943, the corresponding profit was equivalent to \$4.20 per share of the common stock, as reported in the annual report of the company.

When the renegotiation of the 1943 war orders compelled a reduction of \$179,798 in consolidated income for the year 1943.

These figures were disclosed in the annual report of the corporation, which was mailed to the stockholders yesterday. The report points out that the contraction in sales volume last year, as compared with 1942, should be viewed in the light of the cancellations of Government contracts for the manufacture of half-tracks. Those cancellations amounted to about \$55,000,000, whereby it can be seen that civilian use of the company's products was an expansion of other orders, both military and commercial, and in the sales of parts and of maintenance service by the Autocar Branches.

The report also discloses that Government contracts, scheduled for delivery in 1945, exceed the total military deliveries of 1944, and that war production is now under great pressure than ever before. It is further revealed that the War Production Board has authorized the Autocar Company to build 4,052 heavy-duty trucks, for civilian use, during 1945, an increase of 48 per cent over the 1944 allotment. That fact is regarded by the Autocar management as "a gratifying and tangible recognition of the company's position as one of the essential suppliers of the larger capacities."

Open New Campaign To Enlist Nurses

A triple-edged campaign to enlist Army nurses in the Eastern Pennsylvania area was launched in Philadelphia this week.

The new program to alleviate the acute nursing situation in the Army was announced at a special conference in the Custom House, Philadelphia, which was conducted by the American Red Cross in the cooperation with the Army Nurse Recruitment Office and the Philadelphia WAC Recruiting District.

The WAC organization, now in the midst of a campaign to recruit medical technicians, has made its facilities available to the Red Cross for the purpose of enlisting more than 250 nurses a month in this area.

Weekly Health Report

Sixteen new cases of contagious disease were reported in the Merion Township for the week ending March 29. These were nine cases of chicken pox, five cases of mumps, one case of scarlet fever, and one case of whooping cough.

Narberth's Golden Jubilee

--- A Test of Independence

The editorial alarm in last week's Our Town will, it is hoped, resound through the Borough and stir local citizens to the action that will save them from the enemy which has challenged their existence as a free community.

This reporter, however, agrees that this space should not be devoted to partisan matters and he is committed to the proposition that any publicity which is needed for specific assaults on those regarded as intruders (or the rebuttals thereto) should be bought and paid for as advertising matter. That organized resistance, however, has not as yet taken form, and as it should be a spontaneous movement, begot of hot indignation, there must be a pause to make in it. That then, if it is always alert for its best opportunity, but we can't say that they themselves set the stage. No, the condition is of our own making, but it is not beyond saving, and so it may be just as well that the Borough's half-century mark was not formally observed in January with the usual fan-fare. Far better to utilize the occasion to restore what we have lost and to make a memorable resolve that we shall never again risk the peril that now besets us.

OPA Will Explain New Price Ruling

Schedule Meeting for Retailers At Bryn Mawr On Tuesday

A meeting to explain a new price regulation to retailers will be held next Tuesday at the Bryn Mawr School, Bryn Mawr Ave., Bryn Mawr.

Retailers selling any of these lines must file "pricing chart" data with the OPA by April 20. All retail merchants of Ardmore, Narberth, Bala-Cynwyd and other communities covered by the War Price Regulation Boards of Ardmore, Bryn Mawr, Narberth and Wayne have been invited to attend.

The meeting is sponsored by the OPA to show the retailer how to prepare his pricing chart and determine his ceiling prices.

The new regulation, No. 580, fixes ceiling prices on the retail sale of nearly all apparel, household furniture, bedding, floor coverings and lamps.

Archery, Pistol, Duel Is Planned

Commend Gun Club For Help In Trapping Rabbits

On a double header program last Wednesday evening the Lower Merion Rod and Gun Club was treated to a demonstration of skill in archery by Frank W. Yetter, Philadelphia, who challenged the Lower Merion Pistol Team to a match. Yetter's challenge was accepted on behalf of the Club's pistol group by Frank Flynn of Narberth.

Following the exhibition, M. J. Golden, Reading, supervisor of District "A" under the Pennsylvania Game Commission, showed technical pictures which portrayed the trapping activities of the Game Commission. Golden explained that wherever and whenever any Pennsylvania's wild game, from the big black bear down to the little brown rabbit, presents a problem it is not wanted in any area, the Game Commission has facilities for trapping and taking it, alive to some other part of the State.

During the past winter, he said, sportsmen's organizations, including the Lower Merion Rod and Gun Club, had greatly aided the Pennsylvania Game Commission in its extensive program of box trapping and a rabbit drives throughout the State. He added that within the Philadelphia area alone, over a thousand rabbits had been trapped in slightly more than two months. He commended the Juniors as well as the seniors of the Lower Merion Rod and Gun Club, who had made a contribution to the program. Junior members of the Lower Merion Club had placed second among a number of boys' groups engaged in box trapping in this part of the State.

In addition to trapping rabbits in the winter, the Game Commission will supply, upon request, information concerning effective rabbit repellents for summer use.

Red Cross Is 26% Over Local Quota

Contributions to the Main Line Red Cross War Fund soared to the all time high of 126 per cent of the goal of 70,000 Red Cross shares of five dollar denomination passed a week before the campaign ended on March 21. Returns are still coming in. Thomas Lineweaver, drive chairman, said yesterday.

Recent contributions included \$3,382.31 donated by the students and staff of Bryn Mawr College. Of this amount, \$2,582.31 was contributed by the students.

Mrs. James Crawford-Collins was captain of the War Fund Drive at Bryn Mawr College.

A total of \$284 has been received from Bryn Mawr Hospital, \$140 of which was given by the Bryn Mawr Nurses' Alumnae Association and \$144 by the hospital personnel.

Funeral services will be held for Mrs. Carrie E. Crawford, widow of the late George B. Crawford, at her home, 117 Merion Ave., Narberth, on Friday afternoon at 2 P. M. Rev. Carl Hammerly, pastor of the Narberth Methodist Episcopal Church, will officiate.

Mrs. Crawford, resident of Narberth for more than 30 years, died at her home on Monday night after a long illness.

Surviving are two sons, Major LeRoy Crawford and Harry B. Crawford.

Dr. John W. Nason, president of Swarthmore College, and Miss Katherine E. McBride, president of Bryn Mawr College, will speak at the open forum to be held on Dumbarton Oaks at the Lower Merion Senior High School next Wednesday night.

America Can Stop War Says Educator

Peace Enforcement Must Have Teeth In It, GOP Women Told

"The future of the world depends on how America speaks for peace," Dr. Ralph Cooper Hutchinson, president of Washington and Jefferson College and executive director of the State Civilian Defense Council, said yesterday at the Lower Merion Narberth Council of Republican Women Tuesday at the Ashbridge House, Rosemont.

"International peace can be maintained if America will sustain a great principle," said Dr. Hutchinson. "America can stop international warfare by taking the lead and saying that from here on out any warfare begun by any nation anywhere will be met by a cross the sword of another nation for the purpose of conquest will cause us to fight."

Citing the Monroe Doctrine as one of the greatest examples of a policy of peace, Dr. Hutchinson said the speaker warned that "if the world is to be saved, something akin to the Monroe Doctrine must appear."

"Put some teeth into the enforcement of peace," Dr. Hutchinson urged, and advocated a "streamlined military force, technically developed to the highest degree, ready for instant action and instant defense of America."

The cooperation of other nations will follow," Dr. Hutchinson continued, "for when nations find themselves working together for the same great cause they form a confederation and spiritual work by which the world understands itself and becomes united, 'will be the final step,' he concluded.

Mrs. John Y. Huger, Jr., council president, introduced the speakers. She pointed out that the Pennsylvania Council of Republican Women was the first woman's organization in the country to sponsor a successful post-war planning plan.

The Council's legislative study group will meet on Tuesday at 11 A. M. at the home of Mrs. Harry Felton, 355 Trevett Lane, Cynwyd. Mrs. Frank A. Willis will conduct a round-table discussion.

3-Way Fight Looms For Borough Office Of Justice Of Peace

Walzer and Menges Are Expected To File Against Colelli; Fleer Undecided Whether He Wants To Run For Treasurer

With the deadline only a few days off indications were strong this week that there would be a three-way contest for the office of Narberth Borough justice of the peace.

Vincent Colelli is the incumbent and has the endorsement of the Narberth Borough Regular Organization Republicans to run again. Colelli is already circulating his petitions.

Next Monday, April 9, is the final date for filing petitions and the following Monday, April 16, is the last date on which petitions can be withdrawn. The primary for Republicans and Democrats is on June 10.

The other candidates, threatening Colelli's reign, are Fred Walzer, former magistrate, and John H. Menges, who is employed by the Philadelphia National Bank.

In addition to candidates for borough offices endorsed by the Regular Republican last week there appears to be only one other citizen in the field. He is Sterling Chain, Windale Rd., who intends to run for one of the four vacancies on the Narberth Borough Council. Chain has been active in Civilian Defense in the Borough.

Last week the Narberth Borough Regular organization Republicans announced that they had endorsed the following four candidates for Borough Council by an elimination vote: Henry Carr, Walter Fox, William S. Thompson and Douglas C. Miner. Three others whose names were proposed at the meeting of 20 committee members and workers were: Louis A. Young, Roland Fleer and both incumbent councilmen, William E. Chain, Jr. and William S. Thompson. Chain said this week he was just as well satisfied not to run but Fleer, apparently, is giving the matter serious consideration.

Holding the caucus and publishing the endorsement, Republicans brought forth a protest from some of the residents. The contention that holding of a caucus broke a tradition of independence in the Borough. Many of the citizens, however, opinion that the Republican committee should reverse their stand and call borough town meeting to give everyone a say in selecting future councilmen.

HERE AND THERE

by BETSY-ANN

Easter Sunday, April 1, was like a day in May. The magnolia and forsythia were in full bloom and looking from Fairview out over the valley, the fruit trees with their pink and white blossoms against a background of delicate green was like a glimpse into fairy land.

Just a turn of the dial—Easter sunrise services in Washington, D. C.—then the choir singing in the Chapel of General Hospital in England, followed by sunrise services in the "Garden of the Gods," Colorado Springs, Col. The wonder of radio!

Canoing on Wissahickon Creek, riding on the bridal paths of Fairmount Park, soldiers and sailors with their sweethearts in Easter array, all added charm to this glorious Easter day.

At the Ritz-Carlton, April 7—Bridge—for the benefit of St. Vincent's Women's and Children's Hospital. Among the door prizes will be a twenty-five dollar war bond, a week-end trip to Atlantic City, and a thorough brocker spaniel. There will be prizes for each table, and something new "Postoffice". This affair will be on a large and elaborate scale, replacing the Sugarbush Horse Show.

Mr. and Mrs. Rollin S. Touhill, of "Maple Hall", Merion, have announced the engagement of their daughter, Miss Doris Estelle Touhill, to Mr. Charles H. Colehour, son of Mr. and Mrs. C. Harris Colehour, 225 Derwen Rd., Merion.

Miss Touhill attends the University of Pennsylvania and the Philadelphia Conservatory of Music.

Mr. Colehour is a graduate of the University of Pennsylvania Moore School of Electrical Engineering.

"Philadelphian Holy Experiment." Struthers Burr. A biography of one of the world's greatest cities, in formal, witty, discursive, it traces the rise of Philadelphia from William Penn's holy experiment to a giant metropolis noted for its corrupt politics, bright personalities and great wealth.

"Sleep in the Sun"—Alan Moody. A novel that will be misused and beguile you with its luscious charm.

Lower Merion High School NEWS LETTER

JAMES LEE OWINGS, A/S, has been transferred from Villanova to Muhlenberg and asks how come we haven't mentioned DICK WHITING, '42, and his exploits at "Fair Muhlenberg."

JIM ALLEN, S. 1/C, '43, is with the Seabees in the Philippines. He's been in New Guinea most of the time and says it was a treat to come to the Philippines to see the women with dresses, streets, buildings, etc. He says the Filipinos think we are the best people in the world; most of them speak English, the schools are like ours and use some of the same books.

CPL. LOYAL R. BURNS, '41, APO 17663, NY, has arrived in Southern England and wrote his letter on Christmas day. "I'll take an American girl any day; I'll take the American customs, American beer, American weather, and American money. I've been mixed up in shillings and pence ever since I got here."

PFC. BOB TABOR, APO 98, SF, comes through with a long letter from Hawaii. He's driving a '32 Dodge truck, and although it's noisy, he gets around. He saw some good football games with swell players like Kimbrough and Glenn Dobbs and hopes to get into some basketball games himself.

Now to the other side of the world to Italy and MAJOR BOB KETTERER, '35, APO 650, NY, in command of a squadron of Marines. The MAJOR has made 81 missions and his group has been awarded the Presidential Unit Citation twice in addition to the French Croix du Guerre and Palms for precision bombing over Italy and Rome. It must be a "hot outfit" and so far as I know no other missions is a record to be more than proud of. BOB saw LT. DICK MCCONNELL, who is enroute to the USA, and CAPT. JOE GRIFFITH in Rome. His brother, CAPT. THEO. KETTERER, '31, is with the Infantry in Germany.

F/O JACK WILEY, '42, APO 559, NY, has arrived in England and has been over Germany. He finds England not too bad and says he'll get accustomed to things in short order.

BERNARD JACKSON, S. 2/C, A. M. M., is at Memphis and says the NL has made him the pal of many, because all the guys in his outfit like to read it.

The following guys stopped in to say hello and sign the book this month:

Campbell, R. A. Henry, W. M. Winne, F. M. McCarey, R. H. Ferguson, R. B. Parsons, L. G. DeSola, H. R. Carson, J. S. Fitzgerald, M. J.

In order to add a bit of levity and variety to the News Letter, we are adding a new column this month. The contributor is Mr. Jim Davis, Physics instructor at Lower Merion for nineteen years, more or less, and better known as the one-time coach of "The Little Potatoes." He has, over a period of years, done a lot of clipping (no pun) and the 20 or more volumes of "Inside Stuff" by Jim Davis, should be brought to light. (Jim calls it "Inside Stuff" because he put the stuff inside the books.)

Letter to the Editor

To the Editor:
We read with interest your editorial headed "June Primary May be a Test for Our Borough" in "Our Town" for March 29. To paraphrase Voltaire, we uphold your right to say what you think about local politics even though we disagree with many of your conclusion and inferences.
Your first and chief assumption to the effect that a small group of politicians want to dominate the community is unwarranted and incorrect. The chief concern of the Committee people and workers who held a meeting on March 22 was to see that the best interests of Narberth were served through the advancement of qualified candidates. The vote taken was an expression of preference for certain candidates for Council. It did not constitute an endorsement but was simply an indication of which candidates the Committee people and workers favored at that time. It was not the intention to shut the door on any candidates whose names were mentioned or voted upon. It is the belief of the members of the Narberth Republican Committee that all of the candidates for Council voted upon at that meeting are qualified, capable men who would serve the Borough with distinction as some of them have done in the past. Any of the candidates then voted upon are free to file petitions up to 4 P. M. on Monday, April 9, and let the voters decide at the Primary in the democratic, American way who shall be nominated.
It is a healthy thing for politics and local government to have contests for local offices at a Primary. Too often in Narberth in the past, it has been difficult to get qualified men to become candidates for local offices.
It might be pointed out that the procedure followed by the Committee people and workers is a more truly democratic one than has been employed for the most part in the past. We submit that the Committee people, as elected representatives of their Party, and the workers, who help shoulder the burden, are just as capable of choosing candidates who are qualified and have the interests of the community at heart as are the members of the governing body itself.
The Republican Committee members are chosen to serve all factions in the Party. We believe that we can best serve our Party by seeing that interested, capable candidates are advanced for the Primary so that our local government may be a credit to the town and also to the Republican Party. That we have done by advancing good material for Council. It is now up to the voters (and to the candidates themselves) to make the final decision.

The other figures—those in italics—show the number of freight cars needed to transport those war supplies to port. Collecting all that materiel—bringing it hundreds, even thousands of miles—delivering it to ship side on schedule, in a pre-arranged order—doing it day after day—is one of the biggest and most responsible jobs railroads have.
Yet, thanks to the magnificent cooperation of the Navy, the Army, port authorities, shippers and traveling Americans—the railroads are doing this vital job smoothly and methodically—and will continue to do so till Victory is won!

Speaking before the Narberth Women's Community Club, at their meeting held Tuesday, April 3, Dr. George M. Tips for Housewives

A pudding, cake or batch of cookies with dates, raisins or dried fruits needs less sugar than a plain one.

Baking potatoes should be rubbed with fat before baking to insure tender skins.

When cutting a meringue covered pie use a sharp knife frequently dipped in cold water.

Grapefruit will taste sweeter if sprinkled lightly with salt an hour in advance of serving.

Fish should be put in a tightly covered container in the refrigerator.

Never put bananas in your refrigerator as cold will ruin the flavor and cause them to spoil.

Boil the coffee pot with a little soda added to the water to remove stains and stale taste.

SEVENTH WAR LOAN DRIVE TO OPEN MAY 14

The Treasury will open the Seventh War Loan Drive on May 14, 1945, with a goal of 14 billion dollars, the Treasury Department announces. One objective of this drive will be the sale of \$7,000,000,000 worth of Government securities to individuals. This is the largest quota ever set for individuals in a War Loan Drive. As a part of the campaign to raise this amount, an intensive program for the sale of Series E Bonds in plants and factories will begin April 9. "It is clear," Secretary Morgenthau said, "that Federal expenditures are going to remain at a high level for some time to come. It is also apparent that funds in the hands of non-bank investors will continue to increase sharply under present conditions. It is highly desirable to channel as much of these funds as possible into Government security investment, and to put them to work in the prosecution of the war."

School Bowlers Open Tournament

Lower Merion High Sponsors Contest At Ardmore Alleys

The third annual Lower Merion High School Invitation Bowling Tournament will get underway this Saturday, April 7, at the Ardmore alleys. The semi-finals will be held next Saturday, April 14.

The tourney is sponsored by the Boys Bowling Club of Lower Merion, which has John O. Raymond as faculty director.

Invitations have been extended to all boys in the 11th, 12th, 13th and 14th grades in the 36 schools comprising the Suburban Conference. It is believed the number of contestants will exceed the 123 who competed last year.

Upper Darby High School won the team title the past two seasons and needs only another victory to keep the trophy permanently. Joe Casselberry, Upper Darby, was the individual champion last year with a score of 178.

Groups will bowl at two hour intervals from 9 A. M. to 7 P. M. on Saturday. All contestants will bowl three games and the 24 with the highest three-game totals will qualify for the semi-finals. Twelve will compete in the finals.

Individual gold and silver bowling balls will be given to the four highest bowlers.

"This bowling tournament is part of our physical fitness program," explains Mr. Raymond. "We hope that through this tournament there will be enough interest so that the Suburban Conference will include bowling as a regular sport in its athletic program in the near future, and adopt regular leagues for inter-school competition."

Inter-County Plan For Hospitalization Eight Years Old

The Inter-County Hospitalization Plan marks its Eighth Anniversary on April 1st.

Started as a department of the Abington Memorial Hospital in 1937, the Plan was incorporated in 1938. Its executive offices were moved to Glenside, in 1942.

The Inter-County Plan now has more than 114,000 subscribers, the majority of whom are enrolled in groups through their places of employment. The Plan also accepts individuals and families, who pay their subscription charges direct.

It has paid more than \$3,000,000 in hospital bills for locally enrolled subscribers hospitalized in 48 states and in 7 foreign countries. It has paid more than 47,800 hospital bills.

Lower Merion High Nine Bows to Haverford School; Friends' Central Next Foe

Need of a couple good hitters was evident in Lower Merion High School's opening baseball game with Haverford School last Tuesday. The Interacademic League team got only two earned runs but led all the way to win easily, 7-0.

Lower Merion was limited to five singles by Mauck and O'Brien, who pitched four and six innings, respectively, for Haverford. No Maroon player was able to get more than one hit.

Dave Zickson pitched the first two innings and gave up an earned run in each frame. Jack Southworth hurled two scoreless innings and the veteran Bill West finished.

Haverford got three unearned runs in the fifth off West and

two more gifts in the sixth, mainly due to battery errors, three of which were committed by West himself.

Lower Merion made its home debut against Episcopal Wednesday in a game postponed from Monday on account of wet grounds, and will make its second home appearance next Monday against Friends Central. The Maroon travels to Chester to oppose the Suburban Two League champs next Tuesday.

Friends Central opened its season with a 6-5 victory over Overbrook Tuesday, thanks to an eighth inning single by Tom Hogan, while Chester increased its three year winning streak to 20 straight by defeating West Philadelphia, 15-2.

Lower Merion High School's girls swimming team handed Swarthmore College's javays a 37-29 defeat at Swarthmore last Thursday.

Sally Sloan's victory in the diving decided team honors, giving Lower Merion four of the seven first places.

Jean Barsby won the 20-yard backstroke in 1:41 and Frances Scott was clocked in 1:52 as she won the 20-yard breaststroke.

The Misses Barsby and Scott, and Dorothy Biddle comprised Lower Merion's 60-yard relay team, which was victorious in 41.2 seconds.

Seven Lettermen Give Lower Merion Strong Track Team

Maroon Opens Season With St. Thomas Next Thursday

Boistered by the return of seven lettermen, Lower Merion High School is looking forward to another successful track and field campaign.

A preview of the squad will be offered this Thursday and Friday in an annual inter-claw meet while the team gets its first test in interschool competition against St. Thomas More on the Ardmore cinders next Thursday.

Coach John Marzucco won't go out on a limb and say his team is better than last year, but he does concede that Lower Merion should be out with Upper Darby and Norristown in most of the major meets.

Upper Darby made a sweep of honors last year and again is designated as the team to beat. Coach Marzucco's veterans are headed by pole vaulter Bill Hawley, who had a high of 11 feet, 9 inches for second place in the State PIAA championships; and high jumper Bob Stephens, who cleared 5 feet, 11 inches to finish fourth in the national indoor interscholastics.

George Glenner is an experienced hand in the half-mile; Ralph Brenner and Lou Turner are veterans in the 440; and Steve Link, Ralph Brenner, Pete Matheis, and Lou Turner are the other letter holders.

Most cheering of the practices to date is the showing of Henry Uhle in the mile. He never ran until last November, but won the mile in an indoor meet in Camden last month and he's expected to develop into one of the best distance runners in the school's history.
